

Special Delivery Letter from Santa

Dear _____

The holidays can be tough, can't they? Nobody knows it more than me, let me tell you. I know you want to get the perfect gift for your quilty crafty sweetie—but you don't know a rotary cutter from a running stitch and you think a Drunkard's Path is a walk from a bar to a taxi. Well, take a deep breath and relax... Santa is here to help you make it a happy holiday.

To make things easy for you, I sent this form below to you loved one. She's filled out her top ten quilting related gift wishes. She probably put this list in the bathroom or on your work bench—just like I asked her to do. She's super, isn't she? Just like my missus.

When you receive the filled out form, simply come to **Suzanne's Quilt Shop** and pick up a few of her favorite things (I probably won't be there to help you personally, but my elves will hook you up.) Rudolph and I will do our best to make sure you go home with what you need to make your sweetheart's Christmas wishes come true. You can find Suzanne's Quilt Shop at 9 First St. S.E., Moultrie, GA. If you can't make it to the store they would be happy to ship. **Call 229-616-1013 or 888-798-0934.** You can also order place an order at **www.suzannesquilts.com**
