Antique quilts are welcome too! **Pick up an entry form at the Arts Center or at Suzanne's Quilt Shop.** Your quilt will need to have a sleeve on it for hanging. QUIT THE QUILT? OH NO!

The manufacturer of Viva paper towels has a new advertising message. Have you seen these commercials? The ad campaign is called "Quit the Quilt!" It's aimed at makers of "quilted" paper towels, but still this is a negative message for our hobby and passion. You can email them at www.kimberly-clark.com and let them know that we're *not* quitting!

Happy Birthday to You!

What's the best (non-fattening) part of having a birthday? The presents, of course! Come shop at Suzanne's Quilt Shop the week of your birthday and receive a little something extra! In honor of your special day, we'll give you **15% off** your purchase, excluding machines, furniture and sale items. Present yourself with exactly what you want! To get this gift, you must present your driver's license. (*But we promise not to reveal your age.*)

Why have your quilt appraised?

- To establish a quilt's replacement value for insurance purposes (Quilts are sometimes the targets of theft and also the victims of disasters (flood & fire).
- To determine value for donation, gift or estate purposes for the IRS
- A thoughtful addition to a quilt given as a gift

Written appraisals are available for a fee of \$40.00/quilts and require 30 mins. per quilt and are strictly confidential.

Oral evaluations are available for \$20.00 per quilt and are not confidential. Because the value of new quilts require a complicated set of computation, oral evaluations cannot be give for new quilts.

Teddy Pruitt has been a certified quilt appraiser since 1984 and has appraised thousands of quilts. She will be available Saturday, September 11 for quilt appraisals at the Colquitt County Arts Center
